

## Cooling System Products

*Is your engine overheated ?*

### RADIATOR FLUSH

W56064 - 325ml

Restores effective cooling  
Improves heater performance  
Removes scale, rust and sludge  
from cooling system

*Leak in your cooling system?*

### RADIATOR STOP LEAK

W55864 - 325ml

Stops and prevents leaks in the radiator  
and cooling system.  
Protects against rust, corrosion and scale

## A/C Air Conditioning Cleaning

### Ultrasonic Climate System Cleaner

Removes pollen and tobacco odors from spilled food and  
beverages on vehicle surfaces, including carpet, upholstery  
and headliner.  
Freshens the heating, ventilation and air conditioning system  
and the entire vehicle environment.  
Disinfects and eliminates microbes, fungi and bacteria  
Cleans fast and efficiently  
Prevents allergic reactions.  
Gets rid of unpleasant smells

### WYNN'S HEADLIGHT RESTORER KIT

## Head Restoration Kit

Two-part Headlight Restoration Kit  
Restores Dull, Clouded & Discolored Headlight Lenses to  
Like-New Optical Clarity  
Restores Headlight Appearance  
Improves Headlight Performance and Night-Vision  
Illumination.  
Saves the Cost of Replacing Expensive Headlights  
Increases Vehicle Resale Value.  
Restores a Pair of Headlights in 15-30 Minutes  
Attractive Display Package  
The Cost-Conscious Solution to Headlight Lens Deterioration

# Taking care of your car

## Chemical car treatments for maintenance and problem solving

Your Vehicle is an investment  
requiring regular maintenance.  
As an alternative to mechanical repairs,  
many of your vehicles problems can be  
resolved or prevented using chemical  
treatments that are: efficient, affordable  
and easy-to-use.  
Wynn's chemical treatments are  
designed to meet the specific  
requirements of modern engines, while  
optimizing and protecting older vehicles.

## Fuel Products

### Excessive exhaust emissions ?

#### 3XA DIESEL 3XA PETROL

Petrol engines : W70759 - 325ml  
Diesel engines : W76459 - 325 ml

Reduces fuel consumption.  
Reduces harmful exhaust emissions.  
Improves engine performance.

### White exhaust smoke ?

#### DRY FUEL

Petrol and diesel engines : W71867 - 325ml

Absorbs water from the fuel tank.  
Protects against rust and corrosion  
Prevents carburetor and fuel filter icing.  
Improves fuel economy  
Restores lost power.  
Lubricates parts in fuel system.

### Increase your octane number ?

#### OCTANE BOOSTER & VALVE SEAT PROTECTOR

W43873 - 325ml

Increases fuel octane number  
Protects against valve seat recession.  
Reduces pinking.

#### PETROL TREATMENT

w65261 - 325ML

Cleans carburetor and fuel system.  
Lubricates valves and upper cylinder area.  
Removes varnish from carburetors.

#### INJECTOR CLEANER

Petrol engines : W55964 - 325ml  
Diesel engines : W51668 - 325 ml

Cleans injectors and fuel system  
Lubricates pump and injectors  
Reduces harmful exhaust gases.  
Prevents fouling of fuel filter.  
Restores spray pattern and optimal combustion.

### Need more engine Power

#### POWER BOOST

Petrol engines : W70770 - 325ml  
Diesel engines : W18670 - 325ml

Boots acceleration  
Maximizes engine performance.  
Reduces harmful exhaust gases.  
Lowers engine noise.

Power Boost Diesel :  
increases the cetane number

Power Boost Petrol :  
increases the cetane number

#### FORMULA GOLD FUEL SYSTEM TREATMENT

Petrol engines : W70701 - 500 ml  
Diesel engines : W76401 - 500 ml

Immediately improves combustion, which will :  
enhance engine performance.

- \* improve acceleration.
- \* reduce engine noise.
- Lowers fuel consumption.
- Reduces harmful emission gasses.

#### DIESEL CETANE + PLUS + W56817 - 125ML

Increases the cetane number up to 5 points.  
Cleans the entire fuel system.

## Oil Treatments

#### MOTOR CLEANER

W51272 325ml

- Cleans the oil system.
- Prevents contamination of fresh oil.
- Prevents and cures sticking of piston rings

### Stop oil leaks ?

#### ENGINE STOP LEAK

W50664 - 325ml

- Stops and prevents engine oil leaks.
- Revitalises rubber and neoprene seals and O - rings.

### Reduce oil friction ?

#### FUEL SAVER

W36563 - 300ml

Improves fuel economy by up to 10%  
Reduces engine noise.

\*Note : Do not Add to fuel tank

### High oil consumption?

#### SUPER CHARGE

W51344 - 250ML

Stop excessive oil consumption.  
Reduces exhaust smoke and engine noise.  
Restores oil pressure and compression.

#### HIGH PERFORMANCE ENGINE TREATMENT

W77101 - 500ml

- Helps extend engine life by reducing oxidation, friction and wear.
- Improves compression and the viscosity index of the oil and prevents premature thickening of new oil.
- Reduces the build up of sludge and deposits and helps keep the oil system clean.
- Reduces oil consumption and emissions.
- Contains no solid particles.
- Is compatible with all types of motor oil.
- Does not harm catalytic converters.

#### SUPER FRICTION PROOFING

W66963 - 325ml

Protects metal surfaces against wear.  
Reduces friction between metal surfaces.  
Prolongs the lifetime of oils.
