

COMPLETE AUTOMOTIVE
MAINTENANCE PROGRAMS BY **ITW Chemin**

EQUIPMENTS

SUPREME ENGINE CLEANING SYSTEM MACHINE

Product No. 09201

Removes up to 20% additional used oil versus a conventional oil change so that oil stays cleaner, longer.

Engine cleaning cycle performed with the engine running, designed to safely clean the entire oil system of harmful oil sludge and deposits.

Simple, quick and easy to use (connects to engine at the oil filter mount in 2 minutes).

Cleans gasoline engines in 10 minutes and diesel engine in 20 minutes or less.

Designed to improve engine life, and provide increased compression and horsepower.

POWERFLUSH COOLING SYSTEM FLUSH & FILL MACHINE

Product No. 07601

Performs a complete cooling system service in 20 minutes or less.

Completely portable, operates on 12V DC power (vehicle battery).

Flushes contaminated fluid from the entire cooling system, including the radiator, engine block, heater core and hoses.

Easy and quick connection to cooling system through the upper radiator hose.

Pressure checks system.

DIESEL CLEAN MACHINE

Product No. 03500

- Allows easy and complete cleaning of diesel fuel systems.
- Compact, lightweight, roll-around unit.
- Applicable to all diesel vehicles including trucks and passenger cars.
- Convenient on-board fluid reservoirs.
- On-board filtration.
- Extremely user friendly.
- Complete with adapters for connection to most diesel vehicles.
- Powered by 12V DC. (Vehicle Battery)

AIROMATIC II ULTRASONIC HVAC (HEATING, VENTILATION & AIR CONDITIONING) CLEANING SYSTEM

Product No. 03000

- Used with Wynn's AIRCO-CLEAN Ultrasonic A/C Treatment.
- Utilizes state-of-the-art ultrasonic technology.
- Designed to eliminate unpleasant odors from the air conditioning system.
- Freshens the heating, ventilation and air conditioning system and the entire vehicle interior environment.
- Designed to eliminate tobacco odors and odors from spilled food and beverages on vehicle surfaces, including carpet, upholstery and headliner.
- Small portable unit powered by 230V, A/c, 50Hz.

ENVIROPURGE FUEL INJECTION CLEAN APPARATUS

Product No. 04000

- Cleans deposits from intake valves, fuel injectors and combustion chambers.
- Restores lost power and improves fuel economy.
- Works off shop air, no aerosol cans required.
- Adapters to fit most vehicle makes.
- Connects directly to the vehicle's fuel rail.
- Can also be used with Wynn's Throttle Body Cleaning (TBC) Tool # 31500.
- 16 oz. cylinder pressurized with shop air.
