

# BRAKCLICK

## BRAKE & PARTS CLEANER

**ITW Brake, Clutch & Parts cleaner** is a general-purpose degreaser designed to remove oil, grease, brake fluid and other contaminants from all types of brake assemblies. It is formulated with selected solvents to meet the challenge of removing any contaminant.

### FEATURES

- Removes quickly and safely brake fluid, grease, oil, and other contaminants
- Cleans instantaneously and effectively brake linings, clutch assembly, drums & calipers
- High penetration ability – brings up and removes oil & grease
- No ozone depleting solvents
- Non staining and non-corrosive
- Selected solvents – Controlled evaporation and low surface tension ensures superior degreasing
- Powerful jet spray – Can be applied without disassembling the brake unit
- Fast evaporation – Minimizes downtime associated with cleaning
- Residue free – Prevents harmful accumulation and eliminates rinsing or wiping
- Invert valve or 360° valve – Allows that all usable product is expelled from the can evenly when sprayed in an upright or inverted position

### APPLICATIONS

- Mechanical brake linings
- Wedge brakes
- Clutch & clutch discs
- Wheel bearings
- Brake drums
- Brake shoes
- Disc brake pads

## PROPERTIES

- Specific gravity: 0.70±0.02
- % Non-volatile: Nil

## PACKAGE

Net contents: 500 ml Aerosol (Propellant: CO<sub>2</sub>)  
:100 ml Aerosol (Propellant: LPG)

## DIRECTIONS

- Always read label & MSDS before use
- Not recommended for use on energized equipment
- Protect all plastic, rubber parts and painted surfaces from overspray
- Remove mechanical plates, covers etc., to expose interior parts. For best results, remove heavy deposits of contaminants by scrapping with brush
- Spray from 10-15 cm away from the brake parts to be cleaned
- Use a Nonwoven pad / sandpaper with 120 grit to remove toughest stains
- Spray again until all contaminants are removed

**Safety Information:** This product is unlikely to present any significant health or safety hazard when used as recommended. Good standards of personal and industrial hygiene are to be maintained by the user. (Refer Label and Material Safety Data Sheet before use).

**Disclaimer:** Information contained in this data sheet is based upon the properties and applications of use known to us. However, generally no legal liability may be deducted from such information.
